

Salary Flexibility Policy

Section 1 - Background Information

(1) This Policy has been developed in support of the Salary Flexibility provision as set out in the [ACU Staff Enterprise Agreement 2022-2025](#) (the Agreement).

Section 2 - Policy Statement

(2) Salary flexibility enables the University to, at its absolute discretion, pay rates in excess of those prescribed in the Agreement. This is in order to meet a range of needs peculiar to each position, which may include market or salary matching to attract and retain staff, and to ensure organisationally critical roles are filled to meet highly specific operational and strategic requirements of the University.

Section 3 - Policy Purpose

(3) This Policy informs staff members of the conditions applicable to the payment of salary loadings of up to 20% under the [Delegations of Authority Policy and Register](#) and the consideration of a salary loading in excess of 20% upon the Vice-Chancellor and President's approval.

Section 4 - Application of Policy

- b. there is a need to market or salary match; and / or
- c. in order to attract or retain staff.

- a. the tasks performed by the individual are of a strategic or mission focussed nature; or
- b. the role is highly complex in design.

(6) In both options the recommending officer will need to consider whether the period of the salary loading and/or the additional fixed salary allowance should be of a set duration, and reviewed or ongoing.

(7) Both the salary loading and any additional fixed salary allowance are superannuable.

Professional Staff to HEW Level 10

(8) Professional staff holding a salary loading upon successful placement to HEW Level 10:

- a. through a classification review; or
- b. a recruitment and selection process; or
- c. an Expression of Interest process;

will have their salary loading cease. Placement will be made to the closest base salary which results in a salary increase. Eligibility to move will be at minimum 12 months from the date of appointment, with evidence of active engagement and ongoing development by the staff member in the Progress Plan for Professional Staff, recommendation of the Member of Executive, who advises the Chief People Officer, who will discuss with the Deputy Vice-Chancellor (Corporate). This process is consistent with the approach to remuneration outlined in the [Senior Management, Executive and Senior Executive Employment Conditions Policy](#).

(9) HEW Level 10 Base 1 to 6 are not increments and incremental progression is not available to Professional Staff HEW Level 10.

Section 5 - Approvals

(10) A recommendation for a salary loading of up to 20% for Professional Staff HEW Level 1 to 9 and Academic Staff Level A to E can be approved by the relevant Member of the Senior Executive as defined in the [Delegations of Authority Policy and Register](#).

(11) Any consideration of above base salary of Professional Staff HEW Level 10 requires consultation with, and the advice of, the Chief People Officer, who will discuss with the Deputy Vice-Chancellor (Corporate).

(12) An additional fixed salary allowance is subject to the endorsement of a Member of the Senior Executive as defined in the [Delegations of Authority Policy and Register](#), with the prior advice of the Chief People Officer, and the final approval of the Vice-Chancellor and President.

(14) A recommendation for a salary loading in excess of 20% is to be forwarded to the relevant Member of the Senior Executive for endorsement and the advice of the Chief People Officer, before approval is considered in extraordinary or exceptional circumstances by the Vice-Chancellor and President.

(15) In preparing a recommendation for the Vice-Chancellor and President's approval the organisational unit will have considered:
