## Section 4 - Process for Linking to ACU Copyright Notice from all ACU Websites

(7) The text of the Copyright Notice is also reproduced in Section 12 below.

## Section 5 - Process on Receipt of a Takedown Notice

(8) University Members are encouraged to report any alleged copyright infringement by ACU by reporting it to the Copyright Coordinator via the [copyright.officer@acu.edu.au](mailto:copyright.officer@acu.edu.au) email address.

(9) If University Members receive an Infringement Allegation or Takedown Notice, it must be immediately forwarded to the Copyright Coordinator via the [copyright.officer@acu.edu.au](mailto:copyright.officer@acu.edu.au) email address.

(10) Upon receipt of an Infringement Allegation, the Copyright Coordinator will investigate the allegation and respond to the complainant as appropriate:

- a. if there has been copyright infringement by a student and such infringement is in breach of the [Computer and Internet Acceptable Use Policy](#), then the Copyright Coordinator will refer the matter to the Deputy Vice-Chancellor (Education);
- b. if there has been copyright infringement by a staff member, the Copyright Coordinator will notify the relevant National Unit Leader or nominated supervisor who will determine any remedial or disciplinary action. (11) Upon receipt of a Takedown Notice, the Copyright Coordinator will assess whether the University's use of the material is permitted under any commercial or statutory licences or exceptions. If the Copyright Coordinator is not satisfied that the University can rely on an exception, the Copyright Coordinator will forward the Takedown Notice to Chief Marketing Officer to:

- a. remove / disable access to the relevant material from University IT infrastructure by the close of the following business day; and
- b. e-mail the Copyright Coordinator with confirmation that the above steps have been taken. Where appropriate, the Copyright Coordinator will bring the Takedown Notice to the attention of the relevant member of the Executive or Senior Staff Member, as identified in Section 3, and, if possible, the person who originally requested that the material be placed on University IT infrastructure and advise them that access to the reported material has been disabled / removed.

(12) The Copyright Coordinator will respond to the sender of the Takedown Notice as necessary complying with international requirements.

## Section 6 - Disputes: Take Down Notices

(13) The University Member or area that originally arranged for the material to be placed on ACU IT infrastructure may dispute the Takedown Notice, by providing the Copyright Coordinator with information as to why they believe the material does not infringe copyright.

(14) If, upon review of the facts, the Copyright Coordinator determines that the allegation of infringement can be opposed, the Copyright Coordinator will liaise with the sender of the Takedown Notice or issue a counter notice in the form prescribed by the [Copyright Regulations 2017 \(Cth\)](#). Until the dispute is resolved, the copyrighted material must not be made accessible on University IT infrastructure.

## **Section 7 - Procedure for Requesting Take Down of Material from a Third Party Website, where ACU owns The Copyright**

(15) ACU recognises that University Members are best placed to identify when University copyright material is on a non-University website, and that this could be an infringement.

(16) When Staff or Students identify this or it is brought to their attention, they should notify the Copyright Coordinator at [copyright.officer@acu.edu.au](mailto:copyright.officer@acu.edu.au). The email should include:

- a. information about the identity of the person making the notification;
- b. information that enables the University to identify the ACU copyrighted work that is believed to be infringed or, if multiple copyrighted works are involved, a representative list of the works; and
- c. where the works were found, for example information to enable the ACU to locate such material (for example URLs).

(17) Upon receipt of an Infringement notification, the Copyright Coordinator will investigate the allegation and respond as appropriate, including but not limited to:

- a. if there has been copyright infringement by the other website, the infringement will be notified to the Chief Information and Digital Officer who will be responsible for making a request to AusCert for AusCert to issue a Takedown Notice on ACU's behalf, and Copyright Coordinator will inform the Notifier of the result; and / or
- b. if there has been no copyright infringement by the other website, the Copyright Coordinator will inform the Notifier of the result.

## **Section 8 - Review**

(18) The University may amend this Procedure from time to time and review at least every 5 years, or when there are significant changes to related ACU Policies, to legislation, or to improve the effectiveness of its operation.
