

# Quotations and Tenders for Purchases Guidelines

## Section 1 - Overview

(1) The University must maintain a reputation for fair and impartial dealing in its contracts with the public. The calling of competitive quotations and tenders is part of this process. The quotation and tender procedures are intended to ensure that:

- a. all who wish to supply goods or services to the University shall be given the opportunity to do so;
- b. no particular supplier is given an unfair advantage;
- c. the best value for money is obtained; and
- d. appropriate records are retained to comply with audit and accountability requirements.

(2) A periodic review of supply arrangements should be undertaken to ensure pricing of goods and services remains competitive.

(3) Goods or services supplied under Government contracts should be in accordance with the [Procurement Policy](#).

## Section 2 - Definitions

(4) Some basic definitions are provided in the [Procurement Policy](#). Detailed definitions of terms used in agreements may be found at [Procurement Forms \(Finance and Planning SharePoint\)](#).

(5) Some additional basic definitions are included below:

Term	Definition
RFx	Acronym meaning "Request For" e.g. RFQ = Request For Quotation, RFP = Request For Proposal, RFT = Request For Tender.
Quotation	A written statement of price and terms of sale for goods or services by a vendor, in response to either a verbal or written invitation by the University. Verbal quotations are not endorsed.
Tender or Proposal	An offer made in writing to supply certain goods or to perform certain services at a given cost, in response to the relevant specifications set out in the University's invitation. Tenders and Proposals include public tenders and selected ("closed") tenders. The words Tender and Proposal are often used interchangeably. Tenders are always the result of the issue of an RFT in a formal invitation and evaluation process by ACU. Proposals may result from a less formal invitation depending on the circumstances.
Public Tender	A tender submitted in response to the University's invitation to tender which has been published for anyone to reply to using an online facility, newspaper or other publication.
Selected (or Closed or Private) Tender	A tender submitted in response to the University's limited written invitation to specific organisations only. Selected tender action applies where public tender action is impractical or inexpedient and is subject to the approval of the Chief Financial Officer and/or the Deputy Vice-Chancellor (Corporate).
Expressions of Interest	Written expressions of interest are sought, using the approved facility, inviting interested parties to indicate their capability to provide certain goods or services required by the University.

ACU Tender Portal	A third-party hosted web platform <a href="#">eProcure</a> , branded as ACU, for issuing tenders and receiving submissions in a controlled manner.
